

Welcome to :

Shenzhen CENTURY HC Technology Co., Ltd

Let's start honest cooperation!

Professional!

Reliable!

Honest!

Company introduction:

HC technology Ltd has a professional team focus on POS thermal receipt printers and barcode scanners. We also make customization for our elegant customers according to their requirements, and keep trade secrets for them, we are striving to become a responsible and ethical partner. We will not only supply the most suitable products with good quality, but also serve our clients in a timely manor and a professional way. We appreciate you accompany us to become bigger and stronger in the very near future.

We are sure we will be your best choice of a partner and make win-win business between us.

Let's start honest cooperate!

Why choose Us?

1. Tangible benefits, visible quality!

You are going to enjoy our big discount, save a lot cost.
Very low failure rate which less than 0.5%.

2. Professional technology, experience sales!

We have technical staffs special for study and development; our sales know expert knowledge of our products.

3. We let you rest assured!

Every item past strict quality control, never worry you will get a defective product.

4. Guaranteed warranty!

12 months warranty will be offered, enjoy our products!

5. Soonest delivery!

We promise goods will be ship out as soon as possible, you will get it in the earliest time.

POS-6000

5.5 Inches touch screen Handheld POS Terminal

1. Operating System Android 8.1.0
2. Architecture ARM Cortex-A7 quad core 1.3GHz
3. Memory 8GD ROM + 1GB RAM
4. CPU MT6580
5. Display Screen 5.5 "HD, 1280X720, IPS
6. Camera 5 megapixels + Auto focus
7. Network WIFI 802.11 a/b/g/n, Bluetooth 3.0/4.0, GSM 2G/3G , GPS
8. Barcode Recognition Rear camera scanning, support 1D/2D barcode scanning reading
9. Printing Method Direct Thermal Line 58mm

MHT-M1

5 Inches touch screen Handheld POS Terminal

- 1. Operating System Android 8.1**
- 2. 1.3GHZ ,ARM Cortex-A7**
- 3. Memory 8GD ROM + 1GB RAM**
- 4. Charging Seat (Optional)/DC charging**
- 5. Display Screen 5"HD, 1280X720, IPS**
- 6. Camera 5 megapixels + Auto focus**
- 7. Network WIFI 802.11 a/b/g/n, Bluetooth 3.0/4.0, GSM 2G/3G , GPS**
- 8. Barcode Recognition Rear camera scanning, support 1D/2D barcode scanning reading**
- 9. Printing Method Direct Thermal Line 58mm**

SS-M6

5 Inches touch screen Handheld POS Terminal

1. Operating System Android 7.1 / Senraise OS Management
2. Memory 8GD ROM + 1GB RAM
3. Qualcomm A53 Quad-Core 1.4Ghz
4. Display Screen 5 "HD, 1280X720, IPS
5. Camera 2M px rear
6. GSM, WCDMA, TDD_LTE, FDD_LTE
(GSM: B2/B3/B5/B8, UMTS: B1/B8,
FDD-LTD: B1/B3/B7/B8/B20)
NFC: ISO/ICE14443, Type A&B, Mifare Card (Optional)
Wi-Fi: 2.4G/5Ghz, support IEEE 802.11a/b/g/n
7. Barcode Recognition Rear camera scanning, support 1D/2D barcode scanning reading
8. Printing Method Direct Thermal Line 58mm

HL2200

58mm Thermal label printer

- 1. Available Max Paper Width 48mm(2")**
- 2. Support Windows, Java, Android, iPhone OS.**
- 3. 76.2 mm (3") / s**
- 4. Bluetooth, USB communication for option.**
- 5. Supported 11 types font size.**
- 6. Thermal Paper Types: continuous/gap paper,**
- 7. 100000000 pulse / dot or 50km TPH Life.**
- 8. Support to download the Logo trademark.**
- 9. Label Paper Roll Diameter: 25-60mm**

HL3200

80mm Thermal label printer

- 1. Available Max Paper Width 76mm**
- 2. Support Windows, Java, Android, iPhone OS.**
- 3. 127 mm (5") / s**
- 4. Bluetooth, USB communication for option.**
- 5. Supported 11 types font size.**
- 6. Thermal Paper Types: continuous/gap paper,**
- 7. 100000000 pulse / dot or 50km TPH Life.**
- 8. Support to download the Logo trademark.**
- 9. Label Paper Roll Diameter: 25-120mm**

LP8600

80mm Thermal label printer

1. Available Max Paper Width 80±0.5mm
2. Support Windows, Java, Android, iPhone OS.
3. 200mm/sec (MAX).
4. Bluetooth, USB and LAN communication for option.
5. Supported 11 types font size.
6. Thermal Paper Types: continuous paper, label paper, folded paper, tag paper
7. 100000000 pulse / dot or 50km TPH Life.
8. Support to download the Logo trademark.

LP9200

110mm Thermal label printer

1. Available Max Paper Width $110 \pm 0.5\text{mm}$
2. Support Windows, Java, Android, iPhone OS.
3. 160mm/sec (MAX)
4. Bluetooth, USB and LAN communication for option.
5. Supported 11 types font size.
6. Thermal Paper Types: continuous paper, label paper, folded paper, tag paper
7. 100000000 pulse / dot or 50km TPH Life.
8. Support to download the Logo trademark.

LP9210

110mm Thermal label printer

- 1. Available Max Paper Width $110 \pm 0.5\text{mm}$**
- 2. Support Windows, Java, Android, iPhone OS.**
- 3. 160mm/sec (MAX)**
- 4. Bluetooth, USB and LAN communication for option.**
- 5. Supported 11 types font size.**
- 6. Thermal Paper Types: continuous paper, label paper, folded paper, tag paper**
- 7. 100000000 pulse / dot or 50km TPH Life.**
- 8. Support to download the Logo trademark.**

LP9220

110mm Thermal label printer

- 1. Available Max Paper Width $110 \pm 0.5\text{mm}$**
- 2. Support Windows, Java, Android, iPhone OS.**
- 3. 160mm/sec (MAX)**
- 4. Bluetooth, USB and LAN communication for option.**
- 5. Supported 11 types font size.**
- 6. Thermal Paper Types: continuous paper, label paper, folded paper, tag paper**
- 7. 100000000 pulse / dot or 50km TPH Life.**
- 8. Support to download the Logo trademark.**

TP-B3

80mm portable Bluetooth printer

1. 80mm printing width
2. Support Windows, Java, Android, iPhone OS.
3. It applies mobile products to supporting the use, and suited to outdoor work environments.

The feature has small size, light weight, reliable performance, simple to connect, easy to use.

4. Bluetooth, USB and RS232 communication for option.
5. Battery charge indicator, easy to know rest power.
6. Higher print speed 90mm/sec.
7. 100km TPH Life.
8. Low power consumption and large capacity Lithium battery.

E300

80mm portable Bluetooth printer

- 1. 80mm printing width**
- 2. Support Windows, Java, Android, iPhone OS.**
- 3. It applies mobile products to supporting the use, and suited to outdoor work environments.**

The feature has small size, light weight, reliable performance, simple to connect, easy to use.

- 4. Bluetooth, USB and RS232 WIFI communication for option.**
- 5. Battery charge indicator, easy to know rest power.**
- 6. Higher print speed 90mm/sec.**
- 7. 100km TPH Life.**
- 8. Low power consumption and large capacity Lithium battery.**

TP-B8002

80mm portable Bluetooth printer

1. 80mm printing width
2. Support Windows, Java, Android, iPhone OS.
3. It applies mobile products to supporting the use, and suited to outdoor work environments.

The feature has small size, light weight, reliable performance, simple to connect, easy to use.

4. Bluetooth, USB and RS232 WIFI communication for option.
5. Battery charge indicator, easy to know rest power.
6. Higher print speed 90mm/sec.
7. 100km TPH Life.
8. Low power consumption and large capacity Lithium battery.

TP-B4

58mm portable Bluetooth printer

- 1. 58mm printing width**
- 2. Support Windows, Java, Android, iPhone OS.**
- 3. It applies mobile products to supporting the use, and suited to outdoor work environments.**
The feature has small size, light weight, reliable performance, simple to connect, easy to use.
- 4. Bluetooth, USB and RS232 communication for option.**
- 5. Battery charge indicator, easy to know rest power.**
- 6. Higher print speed 70-90mm/sec.**
- 7. 50km TPH Life.**
- 8. Low power consumption and large capacity Lithium battery.**

H200

58mm portable Bluetooth printer

- 1. 58mm printing width**
- 2. Support Windows, Java, Android, iPhone OS.**
- 3. It applies mobile products to supporting the use, and suited to outdoor work environments.**
The feature has small size, light weight, reliable performance, simple to connect, easy to use.
- 4. Bluetooth, USB and RS232 WIFI communication for option.**
- 5. Battery charge indicator, easy to know rest power.**
- 6. Higher print speed 70-90mm/sec.**
- 7. 50km TPH Life.**
- 8. Low power consumption and large capacity Lithium battery.**

TP-B7

58mm portable Bluetooth printer

- 1. 58mm printing width**
- 2. Support Windows, Java, Android, iPhone OS.**
- 3. It applies mobile products to supporting the use, and suited to outdoor work environments.**
The feature has small size, light weight, reliable performance, simple to connect, easy to use.
- 4. Bluetooth, USB and RS232 communication for option.**
- 5. Battery charge indicator, easy to know rest power.**
- 6. Higher print speed 70-90mm/sec.**
- 7. 50km TPH Life.**
- 8. Low power consumption and large capacity Lithium battery.**

TP-B5805

58mm portable Bluetooth printer

- 1. 58mm printing width**
- 2. Support Windows, Java, Android, iPhone OS.**
- 3. It applies mobile products to supporting the use, and suited to outdoor work environments.**
The feature has small size, light weight, reliable performance, simple to connect, easy to use.
- 4. Bluetooth, USB and RS232 communication for option.**
- 5. Battery charge indicator, easy to know rest power.**
- 6. Higher print speed 70-90mm/sec.**
- 7. 50km TPH Life.**
- 8. Low power consumption and large capacity Lithium battery.**

TP-B5809

58mm portable Bluetooth printer

- 1. 58mm printing width**
- 2. Support Windows, Java, Android, iPhone OS.**
- 3. It applies mobile products to supporting the use, and suited to outdoor work environments. The feature has small size, light weight, reliable performance, simple to connect, easy to use.**
- 4. Bluetooth, USB and RS232 communication for option.**
- 5. Battery charge indicator, easy to know rest power.**
- 6. Higher print speed 70-90mm/sec.**
- 7. 50km TPH Life.**
- 8. Low power consumption and large capacity Lithium battery.**

TP-B5811

58mm portable Bluetooth printer

- 1. 58mm printing width**
- 2. Support Windows, Java, Android, iPhone OS.**
- 3. It applies mobile products to supporting the use, and suited to outdoor work environments.**
The feature has small size, light weight, reliable performance, simple to connect, easy to use.
- 4. Bluetooth, USB and RS232 communication for option.**
- 5. Battery charge indicator, easy to know rest power.**
- 6. Higher print speed 70-90mm/sec.**
- 7. 50km TPH Life.**
- 8. Low power consumption and large capacity Lithium battery.**

TP-8016

80MM Thermal Printer

- 1. Audible and visual alarm supported best application for kitchen menu printing.**
- 2. Low cost and High-quality thermal printing**
- 3. Low-power waste, low-run cost**
- 4. Up to 260mm/s printing speed**
- 5. With auto cutter**
- 6. Support buyer's language**
- 7. Long printing head life: 100KM**
- 8. Built-in data buffers**
- 9. Support NV image downloading and printing**
- 10. Printing QR CODE**

H802

80MM Thermal Printer

- 1. Audible and visual alarm supported best application for kitchen menu printing.**
- 2. Low cost and High-quality thermal printing**
- 3. Low-power waste, low-run cost**
- 4. Up to 260mm/s printing speed**
- 5. With auto cutter**
- 6. Support buyer's language**
- 7. Long printing head life: 100KM**
- 8. Built-in data buffers**
- 9. Support NV image downloading and printing**
- 10. Printing QR CODE**

H806

80MM Thermal Printer

- 1. Audible and visual alarm supported best application for kitchen menu printing.**
- 2. Low cost and High-quality thermal printing**
- 3. Low-power waste, low-run cost**
- 4. Up to 260mm/s printing speed**
- 5. With auto cutter**
- 6. Support buyer's language**
- 7. Long printing head life: 100KM**
- 8. Built-in data buffers**
- 9. Support NV image downloading and printing**
- 10. Printing QR CODE**

H801

80MM Thermal Printer

- 1. Audible and visual alarm supported best application for kitchen menu printing.**
- 2. Low cost and High-quality thermal printing**
- 3. Low-power waste, low-run cost**
- 4. Up to 260mm/s printing speed**
- 5. With auto cutter**
- 6. Support buyer's language**
- 7. Long printing head life: 100KM**
- 8. Built-in data buffers**
- 9. Support NV image downloading and printing**
- 10. Printing QR CODE**

TP-8017

80MM Thermal Printer

- 1. Audible and visual alarm supported best application for kitchen menu printing.**
- 2. Low cost and High-quality thermal printing**
- 3. Low-power waste, low-run cost**
- 4. Up to 260mm/s printing speed**
- 5. With auto cutter**
- 6. Support buyer's language**
- 7. Long printing head life: 100KM**
- 8. Built-in data buffers**
- 9. Support NV image downloading and printing**
- 10. Printing QR CODE**

TP-5806

58MM Thermal Printer

1. Competitive price, best selling.
2. Elegant design.
3. High printing speed 90mm/sec.
4. Support Linux/Windows 7/Windows 8 system driver, various international languages.
5. Support Logo download printing.
6. Very low failure rate.
7. Support Android OS.
8. USB/RS232/Parallel/LAN ports optional.

TP-5811

58MM Thermal Printer

1. Competitive price, best selling.
2. Elegant design.
3. High printing speed 90mm/sec.
4. Support Linux/Windows 7/Windows 8 system driver, various international languages.
5. Support Logo download printing.
6. Very low failure rate.
7. Support Android OS.
8. USB/RS232/Parallel/LAN/Bluetooth/WIFI ports optional.

E582

58MM Thermal Printer

1. Competitive price, best selling.
2. Elegant design.
3. High printing speed 90mm/sec.
4. Support Linux/Windows 7/Windows 8 system driver, various international languages.
5. Support Logo download printing.
6. Very low failure rate.
7. Support Android OS.
8. USB/RS232/Parallel/LAN/Bluetooth/WIFI ports optional.

TP-5810

58MM Thermal Printer

- 1. Competitive price, best selling.**
- 2. Elegant design.**
- 3. High printing speed 120mm/sec.**
- 4. Support Linux/Windows 7/Windows 8 system driver, various international languages.**
- 5. Support Logo download printing.**
- 6. Very low failure rate.**
- 7. Support Android OS.**
- 8. USB/RS232/Parallel/LAN/Bluetooth/wifi ports optional.**
- 9. Big paper hole.**
