TP-8017 ALL	**80MM Wire/wireless Thermal Printer** 1. Supports Windows Android and Linux. 2. With water proof, dustproof and oil-proof design 3. USB interface 4. Up to 300mm/s printing speed 5. With auto cutter 6. Support buyer's language 7. Long printing head life: 100KM 8. Support printer prompt 9. Support Windows 8 Android system 10. Printing QR CODE				One printer in a single box,8pcs printers into a out carton. Carton Size: 49*46*38cm Weight: 21kgs
TP-8012-U	**80MM Thermal Printer** 1. Alarming apparatus port. 2. With water proof, dustproof and oil-proof design 3. USB port; serial, LAN, Bluetooth, WIFI optional 4. Up to 300mm/s printing speed 5. With auto cutter 6. Support buyer's language 7. Long printing head life: 100KM 8. Support printer prompt and error alarm 9. Support Windows 8 Android & iOS system 10. Printing QR CODE				One printer in a single box,8pcs printers into a out carton. Carton Size: 49*46*38cm Weight: 21kgs

TP-8016	**80MM Wire/wireless Thermal Printer** 1. Alarming apparatus port. 2. With water proof, dustproof and oil-proof design 3. USB port 4. Up to 300mm/s printing speed 5. With auto cutter 6. Support buyer's language 7. Long printing head life: 100KM 8. Support printer prompt and error alarm 9. Support Windows 8 Android & iOS system 10. Printing QR CODE				One printer in a single box,8pcs printers into a out carton. Carton Size: 49*46*38cm Weight: 21kgs
TP-8013-U	80MM Wire Thermal Printer 1. Supports Windows Android and Linux. 2. With water proof, dustproof and oil-proof design 3. USB interface 4. Up to 300mm/s printing speed 5. With auto cutter 6. Support buyer's language 7. Long printing head life: 100KM 8. Support printer prompt 9. Support Windows 8 Android system 10. Printing QR CODE				One printer in a single box,12pcs printers into a out carton. Carton Size: 63*43*32cm Weight: 20kgs
TP-5810	58MM USB Thermal Printer 1. Competitive price, best selling. 2. Elegant design. 3. High printing speed 120mm/sec. 4. Support Linux/Windows 7/Windows 8 system driver, various international languages. 5. Support Logo download printing. 6. Very low failure rate. 7. USB **port**				One printer in a single box,12pcs printers into a out carton. Carton Size: 63*43*32cm Weight: 20kgs

TP-5806-U	**58MM USB Thermal Printer** 1. Competitive price, best selling. 2. Elegant design. 3. High printing speed 90mm/sec. 4. Support Linux/Windows 7/Windows 8 system driver, various international languages. 5. Support Logo download printing. 6. Very low failure rate. 7. Rich ports				One printer in a single box,12pcs printers into a out carton. Carton Size: 63*43*32cm Weight: 20kgs
TP-5811-U	**58MM USB Thermal Printer** 1. Competitive price, best selling. 2. Elegant design. 3. High printing speed 90mm/sec. 4. Support Linux/Windows 7/Windows 8 system driver, various international languages. 5. Support Logo download printing. 6. Very low failure rate. 7. Rich ports				One printer in a single box, 24pcs printers into a out carton. Carton Size: 63*43*32cm Weight: 20kgs
TP-B7AI	**58MM Portable printer** Bluetooth+USB/ WIFI+USB port, 90mm/sec high printing speed, support Android, Ios, Windows, Wince, Java				1pc in single box, 30pcs in out carton.

TP-B1AI	58mm portable printer 1. 58mm printing width 2. Support kinds of system 3. Bluetooth, USB and RS232 communication for option. 4. Battery charge indicator, easy to know rest power. 5. Higher print speed 90mm/sec. 6. 50km TPH Life.				One printer in a single box,40pcs printers into a out carton.
TP-B4AI	58mm portable printer 1. 58mm printing width 2. Support kinds of system 3. Bluetooth, USB and RS232 communication for option. 4. Battery charge indicator, easy to know rest power. 5. Higher print speed 90mm/sec. 6. 50km TPH Life.				One printer in a single box,40pcs printers into a out carton.
TP-B5805AI	**58mm portable printer** 1. 58mm printing width 2. Support kinds of system 3. Bluetooth, USB and RS232 communication for option. 4. Battery charge indicator, easy to know rest power. 5. Higher print speed 90mm/sec. 6. 50km TPH Life.				One printer in a single box,40pcs printers into a out carton.

TP-E300AI (WITH BIS)	**80MM mobile bluetooth printer** Bluetooth+USB port, 90mm/sec high printing speed, support Android, Ios, Windows, Wince, Java Belt bag US$3/pc				1pc in single box, 30pcs in out carton.
TP-B3AI	**80MM mobile bluetooth printer** Bluetooth+USB/ WIFI+USB port, 90mm/sec high printing speed, support Android, Ios, Windows, Wince, Java Belt bag US$3/pc				1pc in single box, 30pcs in out carton.
TP-B8002AI	**80MM mobile bluetooth printer** Multi-functional Display Screen (can be shown the capacity of battery, the status of Bluetooth connection, the status of printing, Paper out warning, the version of printer) It applies mobile products to supporting the use, and suited to outdoor work environments. The feature has small size, light weight, reliable performance, and simple to connect, easy to use.				1pc in single box, 30pcs in out carton.

POS1503	15 Inch touch screen pos machine **1. Intel Celeron 1037 dual core 1.8 GHz** **2. 2G DDR3** **3. 32G SSD new hard disk** 4. Graphic card：Integrated Intel GMA 3150 core 5. 15" A+ high-brightness TFT LED military standard screen 6. CE-Touch 4 resistive touch screen 7. With LED 8 digitals customer display				One pos machine in a carton box. Carton Size: 50*41*34cm Weight: 8kgs
POS0901	9 Inch touch screen POS machine with embedded software 1. Sensitive capacitive touch screen 2. Small size, elegant design 3. With easy operate software 4. Stable system				One pos machine in a carton box. Carton Size: 41*38*25CM Weight: 6kgs
POSM1505C	**15 Inch Capacitive monitor** 1. Sensitive capacitive monitor 2. High solution 1024(H)×768(V) pixel 3. VGA port 4. (4:3 diagonal) 5. Adjustable angle				1pc monitor in a box

POSM1705C	**17 Inch Capacitive touchscreen** 1. Sensitive monitor 4 Wire 2. High solution 1024(H)×768(V) pixel 3. VGA port 4. (4:3 diagonal) 5. Adjustable angle				1pc monitor in a box
HC-101	Double-deck metal cash drawer 1. Heavy duty metal drawer with stainless steel lock & key 2. Durable nylon rollers which would be run for more than 1000000 times. 3. Removable coin tray and coin separator available 4. Dimensions: 412(W) x 415(D) x 100(H)mm 5. Cash Tray Dimensions: 359(W) x 326(D) x 63(H)mm 6. 3-Position lock (lock up, auto, open) 7. One cheque slot				One piece in a box; Carton Size: 46*46*16cm Weight: 8.5kgs
HC-101P	Metal cash drawer 1. Heavy duty metal drawer with stainless steel lock & key 2. Durable nylon rollers which would be run for more than 1000000 times. 3. Removable coin tray and coin separator available 4. Dimensions: 412(W) x 415(D) x 100(H)mm 5. Cash Tray Dimensions: 359(W) x 326(D) x 63(H)mm 6. 3-Position lock (lock up, auto, open) 7. One cheque slot				One piece in a box; Carton Size: 46*46*16cm Weight: 8kgs

HC-201	Flip top Metal cash drawer 1. Heavy duty metal drawer with stainless steel lock & key 2. Durable nylon rollers which would be run for more than 1000000 times. 3. Removable coin tray and coin separator available				One piece in a box; Carton Size: 53*23*17cm Weight: 6kgs
BT-100U/BT-100UA/BT-100RS	**USB Trigger for Cash Drawer** 1. Cash drawer can be directly connected to the computer with BT-100U; 2. Powered by USB bus, external power is not required; 3. Allows for "Hot Plugging", plug and play connectivity; 4. No need to set the COM property; 5. Suitable to any cash drawer command. Write any data to COM port will open the cash drawer.				One piece in a bag; 100pcs in a carton
BS-B3-U	**1D Wire Barcode Scanner With Metal Bracket** 1. High scanning speed 2. 200 scan/sec 3. 32 bit CPU 4. Reliable metal bracket 5. USB port cable 6. With auto sense				One printer in a single box,30pcs into a out carton.

BS-B2-U	**1D Wire Barcode Scanner With Metal Bracket** 1. High scanning speed 2. 200 scan/sec 3. 32 bit CPU 4. Reliable metal bracket 5. USB port cable 6. With auto sense				One printer in a single box,30pcs into a out carton.
BS-B1-U	**1D Wire Barcode Scanner With Metal Bracket** 1. High scanning speed 2. 200 scan/sec 3. 32 bit CPU 4. Reliable metal bracket 5. USB port cable 6. With auto sense				One printer in a single box,30pcs into a out carton.
BS-S3-U	**1D Wire Barcode Scanner** 1. High scanning speed 2. 200 scan/sec 3. 32 bit CPU 4. Reliable metal bracket 5. USB port cable				One printer in a single box,40pcs into a out carton.

BSW2401	**1D Wireless 2.4G Barcode Scanner** 1. High scanning speed 2. 200 scan/sec 3. 32 bit CPU 4. Without stand & auto sense 5. USB receiver 6. 900mA battery				One printer in a single box,40pcs into a out carton.
BSW2820	**1D Wireless 433MHZ Barcode Scanner** 1. High scanning speed 2. 200 scan/sec 3. 32 bit CPU 4. Without stand & auto sense 5. USB receiver 6. 900mA battery 7. 100-300 meters work distance				One printer in a single box,40pcs into a out carton.
BSC2806	**1D Wired CCD Barcode Scanner** 1. High scanning speed 2. 200 scan/sec 3. 32 bit CPU 4. stand & auto sense optional 5. USB port				One printer in a single box,40pcs into a out carton.

BSWNL-6000-U	**1D Wire barcode scanner with stand** 1. High speed; 2. Elegant design 3. With Stand and auto sense 4. USB port cable				One scanner in a single box,30pcs into a out carton.
BSWNL-6004AT	**1D wireless barcode scanner (bluetooth)** 1. Bluetooth class 2.0 version+ EDR 2. 100 scans/sec 3. Bi-directional scanning 4. With auto sense and stand				One printer in a single box,20pcs into a out carton.
BSWNL-6004	**1D wireless barcode scanner (bluetooth)** 1. Bluetooth class 2.0 version+ EDR 2. 100 scans/sec 3. Bi-directional scanning 4. With auto sense and stand				One printer in a single box,20pcs into a out carton.

BSWNL-6003	**1D wireless barcode scanner (433MHZ)** 1. 433Mhz wireless protocol with receiver base 2. 100 scans/sec 3. Bi-directional scanning 4. With auto sense and cradle				One printer in a single box,20pcs into a out carton.
BSWNC-6083	**1D wireless CCD barcode scanner (433MHZ)** 1. 433Mhz wireless protocol with receiver base 2. 100 scans/sec 3. CCD scanning 4. With auto sense and stand				One printer in a single box,20pcs into a out carton.
BSWNI-6023	**2D wireless barcode scanner (433MHZ)** 1. 433Mhz wireless protocol with receiver base 2. 100 scans/sec 3. COMS scanning 4. With auto sense and stand				One printer in a single box,20pcs into a out carton.

BSWNI-6020-UAT	**2D Wire barcode scanner with stand** 1. High speed; 2. Elegant design 3. With Stand, with auto sense 4. USB port cable 5. Can read most of 2D codes				One scanner in a single box,30pcs into a out carton.
BSWNI-6020-U	**2D Wire barcode scanner with stand** 1. High speed; 2. Elegant design 3. With Stand, with auto sense 4. USB port cable 5. Can read most of 2D codes				One scanner in a single box,30pcs into a out carton.
BSWNI-5110-U	**QR Code Wire barcode scanner with stand** 1. High speed; 2. Elegant design 3. With Stand, with auto sense 4. USB port cable 5. Can only read QR codes				One scanner in a single box,30pcs into a out carton.

BSWNI-7030-R	**2D Wire barcode scanner with stand** 1. High speed; 2. Elegant design 3. With Stand, with auto sense optional 4. Serial port with power adaptor 5. Can read some 2D code like PDF417,QR codes...				One scanner in a single box,30pcs into a out carton.
BSWNI-6000-U	**2D Wire barcode scanner with stand** 1. High speed; 2. Elegant design 3. With Stand, with auto sense 4. USB port cable				One scanner in a single box,30pcs into a out carton.
BSWNL-3000-U	**1D Wire Laser Barcode Scanner** 1. High scanning speed 2. 200 scan/sec 3. 32 bit CPU 4. Reliable metal bracket 5. USB port cable				One printer in a single box,30pcs into a out carton.

BSWNL-3000-UAT	**1D Wire Laser Barcode Scanner** 1. High scanning speed 2. 200 scan/sec 3. 32 bit CPU 4. Reliable metal bracket 5. USB port cable				One printer in a single box,30pcs into a out carton.
BSWNC-3080-U	**1D Wire CCD Barcode Scanner** 1.32 bits high performance CPU 2.Diversity of interface 3.Flexible configuration 4.Ultra comfort design 5.Best value price 6.Diversified customized features 7.Achieving one-to-many communications (one PC/PLC host to many barcode scanners) 8.Complement checking code for barcode data and command 9.Creative user defined barcode technology				One printer in a single box,30pcs into a out carton.
BSWNC-6080-U	1D Wire CCD Barcode Scanner 1.32 bits high performance CPU 2.Diversity of interface 3.Flexible configuration 4.Ultra comfort design 5.Best value price 6.Diversified customized features 7.Achieving one-to-many communications (one PC/PLC host to many barcode scanners) 8.Complement checking code for barcode data and command 9.Creative user defined barcode technology				One printer in a single box,30pcs into a out carton.

					One scanner in a single box,20pcs into a out carton.
BS-B4	**1D Wire onmi-directional barcode scanner** 1. USB port 2. With auto sense 3. 20 Lines laser high speed				
BSWAI-2120-U	**2D Wired Barcode scanner** Captures virtually all 1D and 2D bar codes as well as still images and video Powerful 624 Mhz processore Fast sensor shutter speed supports 60 fps to capture image Multi-directional to capture all the data, accurate scanning even in bright sunlight Diversity of interface,support RS232, USB and RS485 Reserved installation mounting holes Achieving one-to-many communications(one PC/PLC host to many barcode scanners), Creative user defined barcode technology),user defined barcode binding with unique ID barcode scanner				One printer in a single box,30pcs into a out carton.
VFD220E-U	**VFD220 20*2 Lines customer display** 1. Can display digital and English (other language optional) characters. Display content is 20 x2 lines. 2. Compatible with "ESC/POS" standard general instruction set. 3. Display's life can up to 300000 hours. 4. Adjustable shell, comfortable visual angle. Pole height is adjustable 5. Rich interfaces optional				One piece in a box, 10pcs in a carton.

VFD220H	**VFD220 20*2 Lines customer display** 1. Can display digital and English (other language optional) characters. Display content is 20 x2 lines. 2. Compatible with "ESC/POS" standard general instruction set. 3. Display's life can up to 300000 hours. 4. Adjustable shell, comfortable visual angle. Pole height is adjustable 5. Rich interfaces optional				One piece in a box, 10pcs in a carton.
VFD220S	**VFD220 20*2 Lines customer display** 1. Can display digital and English (other language optional) characters. Display content is 20 x2 lines. 2. Compatible with "ESC/POS" standard general instruction set. 3. Display's life can up to 300000 hours. 4. Adjustable shell, comfortable visual angle. Pole height is adjustable 5. Rich interfaces optional				One piece in a box, 10pcs in a carton.
LCD210A	**LCD 20*2 Lines customer display** Supports different language character sets (English/French/Spanish/Russian/Portuguese etc.) 20 characters X2 lines Emulates popular customer pole display command sets RS-232 port or USB port powered (optional), no external power adapter Software programming: ESC/POS, CD5220, UTC, OPOS Viewing angle: -5°~60° Maximum adjustable angle:270° Simple installation Optional pole height (3 kinds of height) Optional shell color: white, black or custom color				One piece in a box, 10pcs in a carton.

LCD210B	**LCD 20*2 Lines customer display**
	•Display method:Liquid crystal display
	•Display color: Blue-green
	•Character font: 20 columns x 2 lines
	•Interface : RS232 serial port or USB 2.0
	•Power supply: USB power supply (DC5V, 2.5W)
	•Baud rate: 9600BPS
	•Operating system: Windows/Android/IOS
	•Color:Black/White/Gun
	•Total Height: 210mm to 460mm
	  Panel dimension: 224(W)X85(H)X45(D)mm
	  Support Height: 120mmX2pcs
	  Base dimension: 188(W)X52(H)X88(D)mm
	•Cable length: 1.5m
	•Support 26 kinds of languages
					One piece in a box, 10pcs in a carton.

LED8D-U	LED 8 digital custom display 1. USB port communicate & supply power 2. White & black color optional 3. Economic price				One piece in a box, 10pcs in a carton.

PD7000-U	7 Inch TFT Customer Display Multi-function customer display, it use Serial port communicate, USB port or DC adaptor to supply power. High brightness and strong commonality. It can display simple Chinese and other languages, supports ESC/POS, CD5220 and so on commands. It's communicate protocol is 9600, N, 8, 1. 200MB memory for picture stock.				One piece in a box, 10pcs in a carton.
MSR01	1. USB/RS232C/PS/2 interface; Bi-directional card reader 2. Reads credit cards, bank cards, driver's licenses and ID cards 3. All tracks are available (Tracks 1, 2 and 3) 4. Small in size, easy to handle 5. Reads low and high coercivity cards (300 to 4000 Oe) 6. LED for status 7. Watch dog				One printer in a single box,100pcs printers into a out carton.
PV7000M-U	7 Inch TFT Monitor USB Port communication Pretty design Its function same as normal monitors, no customer procedure.				One display in a box. 10pcs displays into a carton.

KB78	78 Keys keyboard ·With 78 switches,good tactile feeling. ·With guide-array,patent design. ·With internal strong metal plate to enhance the protection against ESD is increased. ·Provide double output standard keyboard output cable length of alternative 1.5 m. ·Available in USB and PS/2 Interface.				One keyboard in a box. 10pcs displays into a carton.
KB76	**76 Keys keyboard** ·With 78 switches,good tactile feeling. ·With guide-array,patent design. ·With internal strong metal plate to enhance the protection against ESD is increased. ·Provide double output standard keyboard output cable length of alternative 1.5 m. ·Available in USB and PS/2 Interface.				One keyboard in a box. 10pcs into a carton.
KB60	**60 Keys keyboard** ·With 60 switches,good tactile feeling. ·With guide-array,patent design. ·With internal strong metal plate to enhance the protection against ESD is increased. ·Provide double output standard keyboard output cable length of alternative 1.5 m. ·Available in USB and PS/2 Interface.				One keyboard in a box. 10pcs into a carton.

| KB50 | **50 Keys keyboard**
·With 50 switches,good tactile feeling.
·With guide-array,patent design.
·With internal strong metal plate to enhance the protection against ESD is increased.
·Provide double output standard keyboard output cable length of alternative 1.5 m.
·Available in USB Interface. | | | | One keyboard in a box.
10pcs into a carton. |

Remarks: 1.Delivery term is exw Shenzhen;
2.We accept T/T in advance, western union, Money Gram, Escrow and PayPal payment;
3.Warranty of above models is 12 months from the date of shipment;
4.Lead time for above model is 1-5 working days.
5.pls contact our sales again for newest price.
6.Price based on MOQ, price for different q'ty will be different.
